Password: 25Years

DCDS has published contributions by leading researchers from all over the world. For instance, 9 Fields Medalists have been published in the journal. Some highlights of DCDS publications include three impactful special issues dedicated, respectively, to (1) Louis Nirenberg; (2) Peter Lax; and (3) Luis A. Caffarelli, to name a few.

Quick facts on DCDS:

- Personal and rapid processing of all submissions.
- Accelerated online publication.
- Easy to use web-based submission and article-tracking facilities.
- The journal is of the highest standard.
- The 2019 Impact Factor is 1.338.

⚙️ Special thanks to the managing team and all past and present editorial board members.
