ABOUT JOURNAL

Journal of Industrial & Management Optimization (JIMO) is an international journal devoted to publishing peer-reviewed, high quality, original papers on the non-trivial interplay between numerical optimization methods and practically significant problems in industry or management so as to achieve superior design, planning and/or operation. Its objective is to promote collaboration between optimization specialists, industrial practitioners and management scientists so that important practical industrial and management problems can be addressed by the use of appropriate, recent advanced optimization techniques.

- JIMO is a bimonthly publication.
- It is indexed in Mathematical Reviews/MathSciNet, SCIE, Scopus, zbMATH Open, and more.
- JIMO is sponsored by Curtin University, Zhejiang University, and Chongqing Normal University.
