Probability, Uncertainty and Quantitative Risk

ISSN 2095-9672
eISSN 2367-0126

About Journal

*Probability, Uncertainty and Quantitative Risk* (PUQR) aims to report significant developments in modern probability theory, its relation to stochastic analysis and statistics, stochastic processes, their dynamics and control, as well as applications in domains such as finance, economics, biology, computer science, and the corresponding data analysis.

- PUQR is a quarterly publication.
- It is indexed in ESCI, Mathematical Reviews/MathSciNet, zbMATH Open, and more.

Editor in Chief
Shi-Ge Peng
peng@sdu.edu.cn

Executive Editor
Rainer Buckdahn
rainer.buckdahn@univ-brest.fr

Managing Editor
Juan Li
juanli@sdu.edu.cn

In Collaboration

PUQR is published by the American Institute of Mathematical Sciences on behalf of Shandong University.
